It seems that the transgender community are in the news every day right now with heartwarming and heart breaking stories. Navigating the needs for transgender/gender diverse community members can be a little tricky but not difficult. In this presentation the concept of transgender/gender diverse identity will be explained and clarified. We will also talk about the need for support within society and how to implement those practices.

Education varies depending on demographic and needs, i.e. workplace, health care, school system, and elderly to teens. Trainings last anywhere from 2 to 3 hours and can be crafted to suit the audience and space. There will be time for questions and discussion allotted.

The following topics will be discussed:
✓ Transgender terminology – the Do’s and Don’ts
✓ We will discuss the current statistics and why the need for support is needed
✓ Gender etiquette
✓ Best practices and policies
✓ How to be a good ally to your community and or a family member
✓ How best to support the transgender community and their family, friends and other allies
